Financial Plan Notes:

¹ 2004 Actuals are from the 2004 CAFR.

² 2005 Estimated includes \$25,000 in supplemental appropriations

³ 2007 and 2008 Projected assume 2.5% annual increase in CX transfer.

⁴ Hotel/Motel tax revenues are assumed to grow by 5.0% annually in 2007 and 2008.

⁵ Forecast contingency equals 10% of Hotel-Motel revenue forecast. The reserve is added to provide sufficient expenditure authority in the event that more revenue is received than forecasted.

⁶ CX Internal Support includes \$50,000 for Highline Historical Society in 2005 Adopted and \$25,000 for Kirkland Performing Arts Center in 2005 Estimated.

⁷ Includes revenue approved in Supplemental Ordinance for McCaw Hall, Performing Arts Center Eastside, Arts West, Highline Historical Society, and Shoreline Historical Museum

⁸ This revenue item reflects contributions from eligible CIP projects for the Percent for Art program. Projections reflect estimated outyear CIP contributions and are subject to change.

⁹ Funds in the fund balance are prepayments to produce public art. Receipt of Prepaid Art is unscheduled so reserve is maintained throughout the entire financial plan. We expect that the art will be delivered and new prepayments made so this number will be adjusted annually.

¹⁰ Target Fund Balance is zero for the CDA's internally managed funds, with all funds either committed to projects or reserved in the Cultural Endowment.
